

CASE DIGEST: *Int'l Bhd. of Boilermakers, Loc. 290*, 72 FLRA 769 (2022) (Member Kiko concurring)

The Arbitrator dismissed a grievance as untimely under the parties' agreement. The Union challenged the award on essence and exceeded-authority grounds. Because the Union's exceptions failed to demonstrate that the award was deficient on either of those grounds, the Authority denied the exceptions.

Member Kiko concurred in the decision to deny the Union's exceptions but wrote separately to highlight the Arbitrator's disturbingly partial statements throughout the award.

This case digest is a summary of a decision issued by the Federal Labor Relations Authority, with a short description of the issues and facts of the case. Descriptions contained in this case digest are for informational purposes only, do not constitute legal precedent, and are not intended to be a substitute for the opinion of the Authority.
