

CASE DIGEST: *NFFE, Loc. 1998 & U.S. Dep't of the State Passport Services*, 0-AR-5766,
73 FLRA 111 (2022)

The Union filed exceptions to the Arbitrator's award denying the grievance and sustaining the Agency's removal of the grievant for unacceptable performance in a critical work element. Because the claims before the Arbitrator were inextricably intertwined with a removal, the award related to a matter described in § 7121(f). Accordingly, the Authority found that it lacked jurisdiction and dismissed the Union's exceptions.

This case digest is a summary of a decision issued by the Federal Labor Relations Authority, with a short description of the issues and facts of the case. Descriptions contained in this case digest are for informational purposes only, do not constitute legal precedent, and are not intended to be a substitute for the opinion of the Authority.
